* Have you ever made a personal decision to receive Jesus Christ as the One who paid for your sins and to be the Leader of your life?

*Approximately how long ago did you receive Jesus Christ as the One who paid for your sins and to be the Leader of your life (see John 1:12)?

*What is motivating you to get baptized at this time?

*Please give a description of your life (before and after) you decided to trust Christ to cover your sins and lead your life?
